

Cashiers Area Community Caregivers Support

We appreciate all of your volunteer contributions to benefit The Village Green. At present, our programming, events and volunteer program is paused while we practice safe social distancing to protect the health of our community. However, The Village Green knows that you share our value for community involvement, so we have worked with the Albert Carlton Cashiers Library and the Cashiers-Glenville Recreation Center to create a unique volunteer opportunity for you.

This community volunteer project is designed to offer encouragement and a source of strength (physical and emotional) to medical workers, first responders and emergency management personnel during the COVID-19 health crisis. We will be collecting snacks to distribute to these caregivers during this stressful and challenging time.

Here's how you can help.

- Purchase commercially prepared and individually packaged snack items. The list below is a guide; add any of these items on the list into your cart when you are doing your personal grocery shopping. Bring snacks to the Cashiers-Glenville Recreation Center 8 a.m.-5 p.m. Monday-Friday. A collection bin will be outside, and staff are on site should you have a question.
- Serve on the snack delivery team. Pick up packaged snacks to deliver to one or more of four locations. Snacks will be delivered on doorsteps/main entrances to maintain distancing guidance per our local medical authorities. We will begin weekly and adjust if the demand justifies additional deliveries. If you are interested and willing to serve on the delivery team, send an email to director@cashiersgreen.com
- This project will begin on Friday, April 3.

Suggested Snacks:

- Protein Bars/Snack Bars
- Bags of Nuts
- Trail mix
- Dried Fruit (raisins, etc.)
- Peanut Butter Crackers/Peanut Butter Stuffed Pretzels
- Jerky
- Fruit/Veggie Smoothie "Pouches"
- Protein Squeeze Packets
- Gatorade
- Starbuck Bottled Drinks

Thank you again for all you do to enhance lives and the lifestyle of the Cashiers area community through your volunteer efforts. We remain strong in our commitment to serve in the heart of Cashiers, for the people of Cashiers.

Ann Self
Executive Director, The Village Green
